STEAK NIGHT

Every Wednesday Selected Steaks from £12

Delicious chargrilled steaks cooked to your liking. All served with fries/chips, grilled tomato & sautéed button mushrooms

225g (8oz) Sirloin £12

Sirloin is cut off the short loin from which the T-bone & porterhouse is cut. It has a uniform strip of fat on one side this helps inject the meat with flavour when being cooked

225g (8oz) Ribeye £12

Ribeye is from the rib section & is cut from between rib six through to twelve. A ribeye steak is full of 'marbling' - tiny strands of fat making the steak full of flavour and sweetness

225g (8oz) Fillet £18

Fillet is cut from the tenderloin which is arguably the most desirable & tender cut of beef

Why not add a delicious sauce from £1.95
